Nov. 5 - Veterans & Veterans Groups

Kevin Timmerman will give a presentation, "250 Years As A Nation - Our Veterans Legacy," on Thursday, November 5 at 6:30 p.m. at the Coopersville Area District Library. He will speak about some of our area veterans and the veterans organizations that developed from the wars in which they served.

Kevin will be profiling veterans who have been featured on the Historical Society website, in Historical Museum exhibits and in other sources of research. These veterans served anywhere from the War of 1812 to Vietnam. With the upcoming Veterans Day holiday, Kevin's presentation is a timely one.

Kevin feels that the anniversary of our country would not be possible without the service and sacrifice of each of our veterans including those in active service today. Although the veterans in Kevin's presentation are just a small group compared to the total number that served from our communities, his "250 Years As A Nation - Our Veterans Legacy" is meant to be a tribute to all who served.

If you can, come to this program to remember veterans everywhere.

See page 2 for some of the photographs of veterans in Kevin's presentation. Do you recognize anyone? Come and hear their stories.
